RE: Invitation to Briefings and Dinner  
JASON Annual Fall Meeting and Dinner  
System Planning Corporation's Conference Room  
1500 Wilson Boulevard  
Arlington, VA  
4 - 5 December 1987

Chairman of the JASON Steering Committee William Happer has invited you to attend their fall meeting on Friday and Saturday December 4th and 5th and their dinner on Friday, the 4th of December, 7:00 p.m. at the Willard Hotel. You are not asked to make remarks. The JASON group is made up of 50 senior academics primarily physicists who work on government related problems and also act as consultants to MITRE Corporation a nonprofit organization. Formed 25 years ago and highly regarded by many government organizations including CIA for their scientific and technical expertise, the group meets during a 6 - 8 week summer session and also holds a short winter and spring meeting. The format of the meeting is a series of briefings on technical subjects that include Strategic Defense Initiative, STEALTH, space activities, and subjects related to arms control. Participants include Professor of Physics at Princeton University Chairman William Happer, Director of Scripps Institute of Oceanography Edward Freeman, Nobel Laureate from University of California Luis Alvarez, and Nobel Laureate from Stanford University Burton Richter.

National Intelligence Officer for Science and Technology Dr. Julian Nall will attend the briefings and dinner. Bill Casey made a practice of attending the dinners.

With your heavy work schedule I do not believe that you would want to take your time to attend the briefings, but you may wish to attend the dinner on the 4th and meet with these illustrious scientists. If you agree, attached is a letter for your signature.

Dr. William Happer  
Chairman  
JASON Steering Committee  
The MITRE Corporation  
1820 Dolley Madison Boulevard  
McLean, Virginia 22102-3481

Dear Dr. Happer:

Many thanks for your invitation to attend the annual JASON Fall Meeting and dinner on December 4th and 5th. Unfortunately I have a Board of Trustees commitment at Washington University in St. Louis on December 4th, and I plan to stay at my farm through the weekend, probably the last visit this winter.

I do hope you have a successful meeting, and I wish to express my thanks for the important help you continue to provide to the intelligence community.

Sincerely yours,

/s/ William H. Webster

McLean, Virginia 22102-3481

Dear Dr. Happer:

Many thanks for your invitation to attend the annual JASON Fall Meeting and dinner on December 4th and 5th. While my heavy schedule of official duties precludes me from joining you at the briefings, I would be pleased to accept your invitation for dinner at the Willard Hotel on Friday the 4th. I will look forward to meeting with your group at this time.

Warmest regards.

Sincerely yours,

William H. Webster  
Director of Central Intelligence

*Unfortunately I have an Board of Directors committee meeting  
on Washington business on 82 hours on Dec 4th and  
I plan to stay at my farm through the weekend,  
probably the last visit this winter.*

*I do hope you have a successful meeting, and  
I wish to express my thanks for the importance  
help you continue to provide to the intelligence community*
